The screenshot shows a Trello workspace named 'Trello Workspace Free' with a project board titled 'Intergrated Project Board'. The board is organized into five columns representing different stages of a project: Backlog, In-progress, Review, Deploy, and Complete. Each column contains task cards with progress bars indicating their status.

- Backlog:** One card titled 'Present findings to business' with a green progress bar.
- In-progress:** Two cards: 'Manage Project board and self review' (red progress bar) and 'Manage Github Project' (red progress bar).
- Review:** Four cards: 'Design project board' (yellow progress bar), 'Create basic cards, filters and table' (orange progress bar), 'Create basic EDA notebook' (yellow progress bar), and 'Create advanced dashboard' (green progress bar).
- Deploy:** One card titled 'Create a Power BI instance and connect the data' (yellow progress bar).
- Complete:** Two cards: 'Design a project landscape' (green progress bar) and 'Clean and upload data to github' (orange progress bar).

Each column has an 'Add a card' button at the bottom. The interface includes a sidebar with navigation options like 'Boards', 'Members', 'Workspace settings', and 'Workspace views'. The top navigation bar shows 'Workspaces', 'Recent', 'Starred', 'Templates', and a 'Create' button. The bottom of the screen features a 'Try Premium free' button.
